(2016-2017)

Show your support for Skutt Catholic High School and join the  
**Skutt Catholic Parent Association!**

The Skutt Catholic Parent Association (SCPA) supports academics, ministry, athletics, school sponsored extra-curricular activities, and many of the school's needs. The SCPA has funded, thus far in the 2015-16 school year, such purchases as track lighting for the Art department, digital TV signs and other equipment for the concessions, new microphones for the school Masses, liturgical furnishings for the renovated chapel, and installation of double door entrance into the auxiliary gym to allow for sponsoring of additional events. The SCPA provides many opportunities to get involved, meet new parents, and help build a vibrant environment for Skutt Catholic. Your membership and volunteer assistance helps to provide for our Skutt Catholic community.

**Become a SCPA member by completing this form and returning it to school office with a check for \$30** (payable to SCPA). Or it can be mailed to:
