

***SkyHawks Gone M.A.D.* is an award given each month to a student who exemplifies, by their words and deeds, what it means to be a true SkyHawk. M.A.D. stands for our school motto "Make a Difference." Students are nominated by faculty, other students, and the community.**

Skutt Catholic's Hawktober recipient of the SkyHawks Gone M.A.D. award is Hannah Rodricks.

"She has been a positive influence at Skutt Catholic since freshman year. She has always been a top ambassador for recruitment and has helped to welcome transfer students to the school. I have worked with her on the service trip to Rosebud. She is not an attention seeker. She loves to work with the kids and when she shares in group time, it is from her heart. She is very involved and has a commitment to growing in her faith and helping other to do so. In all of my interactions with her, I have been impressed with her talent, her willingness to help, and her humble way of going about things."

"She is a very positive member of my classes. She can put a positive spin on almost any situation and her peers look to her for that validation and reassurance. She confidently uses her life experiences to follow her dreams, no matter what stumbling blocks may get in her way. I am proud to see her growth and maturity over the past four years."

"She is an amazing young lady. Here are a few ways I would describe Hannah: confident yet humble, courageous, faithful, hardworking and dedicated. I can tell through her interactions with other students that she is authentic, genuine, and regularly shows empathy towards others."

"She makes our world a better place. She is caring and deeply thoughtful. She doesn't just go along with the crowd but wants to stand by what is right, what is true and beautiful. Her commitment to her Catholic faith and her authentic desire to show other people the freedom and love she's found in her relationship with the Lord is stunning and shows a deep maturity. But in that she has remained humble and honest."

"She is a tenacious student who strives to understand new concepts in my class and brings enthusiasm to whatever it is we are working on. She is a leader who makes a positive impact on the learning of her classmates and it is apparent that she genuinely loves Skutt Catholic, all of her classmates, and all people who inhabit this school. I can already tell that she is a woman of faith and the Skutt Catholic community benefits from all of the talents she shares with us."
