

***SkyHawks Gone M.A.D.* is an award given each month to a student who exemplifies, by their words and deeds, what it means to be a true SkyHawk. M.A.D. stands for our school motto "Make a Difference." Students are nominated by faculty, other students, and the community.**

Skutt Catholic's November recipient of the SkyHawks Gone M.A.D. award is P.J. Slattery.

"I have had the pleasure of working with this incredible young man since his freshman year in Honors Biology and again this year in AP Bio. He is instrumental in the success of Science Olympiad and the team building that occurs in this activity. As mentioned previously, although an injury might stop some, he accepted his limitations and immediately looked to what he could do for the XC team—not himself—and did it! Regardless of the task at hand, he gives it his all. He models our Savior through the kindness he shows to all students—especially underclassmen. He always asks if he can help his teachers, coaches, and sponsors. He genuinely cares for the people in his life and doesn't hesitate to extend his compassion to those in need. Much more could be said about this marvelous young man because he definitely earned Skutt Catholic's MAD Award!"

"He is an outstanding young man. He has exceptional grades, gets along well with peers and teachers, and always conducts himself well. He maintains a very high GPA while taking a rigorous academic load. He is a strong leader in the senior class. He is a joy to have in class. He has a great sense of humor and always has a positive viewpoint to share."

"I have worked with him in HOSA the last two years. I can count on him to take the lead for meetings, service projects, bake sales, and HOSA nights. He checks in regularly to see what he can do to prepare for HOSA meetings or help with ongoing projects. He is never afraid to try something new. He is an ambitious but humble young man!"

"He is an incredible leader in this school and I look forward to learning about what he does as he continues his education."

"This student is an exemplary example of a SkyHawk. He is a student of character, morals, and intellect. From the first day of class until now he has proven himself time and again to be a friend to all, inclusive of all classmates, open to new ideas, and willing to learn. He is mature, yet clearly still has a wonderful sense of humor and brings his positive attitude to class daily. I am blessed to have him in my class this year."

"He is an exceptional student and awesome role model of what it means to be SkyHawk. He is a quick thinker and avid learner. He has always accepted the challenge of honors and AP courses and works hard to master the curriculum. He makes positive contributions to class discussions as well as being an effective participant in group work. His written work is always well done and truly shows his complete understanding of the material. He possess excellent communication skills and regularly demonstrates great leadership. I am proud to be one of his teachers."

"While he has many outstanding qualities I believe his sense of loyalty is perhaps his greatest strength. He is loyal to his friends, to his family, and above all to his faith. This is what makes it possible for him to be loyal to himself."

"One of the Skutt Catholic charisms is "fairness to all and care and concern for others". He is a fine example of this. When asked to work in groups he always welcomes others in and makes sure everyone has the opportunity to contribute. He truly sees the good in everyone!"
